

Establishment Loan

The Establishment Loan is a variant of the subordinated loan specifically targeted at ownership transfers in agriculture. The loan is subordinated to all other creditors and is always combined with EIFO's Growth Loan.

Customer Characteristics

- 1 *The target customer is primarily first-time agriculture buyers up to 40 years of age*
- 2 *The agriculture must meet income and debt servicing capacity requirements*
- 3 *The agriculture's equity must be of an appropriate size*
- 4 *The loan must be part of a comprehensive solution with co-financing from a financial institution*
